

ZOONIQUE DAYS

Looking for a Zoonique day for your 7-14 year old.

Join Saunders Country Critters Zoo for a wild and memorable experience

Zoonique Days run from 9am to 4pm

Before & after care available at an additional \$5.00 per hour

January 14th, February 18th, March 25th, and April 22nd 2017

It's a wild and memorable experience.

Zoonique Days have become an integral part of the Zoo's education calendar, and designed to encourage the discovery and appreciation of all animals.

The day begins with assisting the keepers to prepare breakfast for the over 200 animals that call Saunders home, then it's time to bundle up as we head outdoors to begin feeding. The singing dogs will sing as they hear breakfast approaching. The lynx will be leaping. Water pails to fill, hay to deliver, breakfast bowls to serve. Back to Kangaroo Kamp Klubhouse to warm up and have a snack. Then back at it. Once we are done outdoors we'll head back to Kamp for a lunch break. Then time to load up again and off to the Header House where the lemurs and kinkajous have been patiently waiting for their food. After our afternoon snacks part of the group will head out to tend to the Kangaroo's while the others head over to tend to the animals in the nursery. Once all are fed and watered we'll meet back at Kamp to do a craft and talk about all that we have learned (time permitting).

Please ensure that your child brings a pair of indoor shoes to wear in Kamp. Also ensure that they have suitable outdoor clothing for the weather (i.e. hats, mitts, boots, warm coats, rain wear), whatever they will require for that day as a good portion of our

day is spent out in the fresh air and hopefully with sunshine. Zookeeping is hard work so make sure and pack a hearty lunch, as well as lots of snacks and water or juice.

\$60.00 per day plus HST

No reservations are considered until Activity Registration Forms and payment in full are received.

Payments may be made by check or email transfer.

Activity Registration forms can be downloaded, printed and mailed in to:
